

### **REMARKS**

The specification has been amended to insert a statement that the present application is the National Stage of International Application No. PCT/EP2003/010683, filed September 25, 2003.

The specification has also been amended to replace the Sequence Listing as previously filed with the substitute Sequence Listing attached hereto as Exhibit A. Support for this amendment is found in the Sequence Listing as previously filed. Also attached hereto as Exhibit B is a computer readable form ("CRF") of the Sequence Listing.

Pursuant to 37 CFR. § 1.821(f), undersigned counsel hereby represents that, upon information and belief, the content of the paper copy and CRF of the Sequence Listing enclosed herewith are the same, and no new matter has been added. Entry of the Sequence Listing is respectfully solicited.

Claims 3-8, 10, 14, 16-18, and 20 have been amended to remove multiple dependencies. Support for these amendments is found, for example, in original claims 3-8, 10, 14, 16-18, and 20, respectively. *See, In re Gardner*, 177 USPQ 396, 397 (CCPA 1973) and MPEP §§ 608.01(o) and (l).

Claim 19 has been amended to delete the word "is" to correct an obvious typographical error. This amendment does not change the scope of the claim in any way.

Claims 27-49 have been added to claim subject matter originally claimed in claims 3-25 in multiple dependent form. Support for these claims is found, for example, in original claims 3-25, respectively. *See id.*

It is submitted that no new matter has been introduced by the foregoing amendments. Approval and entry of this Preliminary Amendment prior to examination on the merits and allowance of all the claims, respectfully, are requested. If the Examiner has any questions regarding this paper, please contact the undersigned attorney.

Respectfully submitted,
